

Defend Palm Beach County Term Limits!

In 2002, our neighbors collected over 60,000 signatures for 8-year commissioner term limits. The proposal passed with 70% of the vote.

But today, two commissioners -- **Burt Aaronson and Karen Marcus** -- have announced they intend to defy the clearly expressed will of the voters and run again.

Please help defend our term limits law!

Please go to the website for more info. While there, please vote in our online poll and print out copies of this palm flyer to distribute and inform our neighbors this is happening. *Thanks!*
